"We just wanted to say a massive thank you...
Our twin boys have been under the fantastic care of
the SCBU team for the last 3-4 days and we were kindly
presented with your beautiful boxes. At the time I only
had the opportunity for a quick peak and didn't fully
appreciate how useful this box would be but every
day since there's been something in them that's
been desperately needed and every time it just
makes me smile with relief as you've made our
lives a little easier. I particularly love the get
well cards from local school children!

So we just wanted to convey our thanks and
appreciation for all the charity's work.

Thank you"

PROVIDING 'A HUG IN A BOX'

PROVIDING A 'HUG IN A BOX' TO FAMILIES OF BABIES IN THE SPECIAL CARE BABY UNIT

Little Miracles has been set up to practically support families who have a baby in the Special Care Baby Unit (SCBU) in Jersey General Hospital. Since April 2014, we have provided every family that has a baby admitted to SCBU with a...

'HUG IN A BOX' - A MEMORY BOX FILLED WITH GIFTS.

Nobody plans for their baby to be admitted to SCBU and it can be an incredibly scary experience. Our boxes reassure these families on the day that their baby is admitted to SCBU that someone is thinking about them and giving them a 'hug'. The boxes are filled with practical gifts for the parents and babies to help make their stay a little easier.

Little Miracles was set up following personal experience of SCBU so the contents of our boxes are based on personal experience, liaising with SCBU staff and asking other SCBU parents what was important to them.

WHAT'S IN THE BOX?

For the baby:

- ♥ Baby grow
- ♥ Vests
- ♥ Hat ♥ Bib
- ♥ Sudocrem
- ♥ Cuski Miniboo (specialist NHS approved neonatal comforter)

For the parents:

- ♥ Haribo sweets ♥ Toiletries ♥ Facial wipes
- ♥ Lip salve ♥ Eye mask ♥ Ear plugs ♥ Hand cream

Other helpful items:

- ♥ Laundry bag ♥ Muslin ♥ Pillow case
- ♥ Pen ♥ Stickers

"My Little Miracle Box allowed me to shed my tears as I felt like you were wrapping your arms around me. I was so scared but to think that someone had taken the time to put together such a lovely gift was such a special gesture to me. I will be eternally grateful for the love you have shown to me and my baby during the darkest day of my life."

"Thank you for the wonderful boxes that you are providing for us to give to our parents. What you are doing for these parents is so special and is having a huge impact. We ourselves are getting so much joy from giving out your boxes and watching the parents open them. The gifts in them are so practical, it has been lovely seeing all the laundry bags hanging on the cots, pillow cases being used and the Cuski's in the incubators. Thank you for making a difference."

When a child is in SCBU, this can be an incredibly frightening and lonely time for parents. We are helping in situations when a baby can be seriously ill. As a small charity we would very much appreciate if you would partner in our vision.

"It was amazing and so thoughtful as well as totally practical. I was not expecting to stay in as long and it really helped."

We hope that you will help us to support these families during a very stressful and upsetting time in their lives.

EACH BOX COSTS £40 TO PRODUCE

We would love your support to help us to continue to provide a box to each family.
